Alright,

STOP

Collaborate and listen,

Ice is back with my brand new invention, something grabs a hold of me tightly,
flow like a harpoon daily and nightly.

Will it ever stop? Yo, I don't know, turn off the lights and I'll glow

To the extreme I rock a mic like a vandal, light up a stage and wax a chump like a candle
Dance go rush to the speaker that booms, I'm killing your brain like a poisonous mushroom

Deadly when I play a dope melody, anything less than the best is a felony
Love it or leave it you better gain weight , you better hit bull's eye the kid don't play
If there was a problem yo I'll solve it, check out the hook while my DJ revolves it
